

The Benjamin Foundation

Take Back Scheme Requirements

For us to be able to collect your old appliance at the same time as delivering your new item it needs to meet certain criteria.

These are as follow:

Appliance MUST...

- Be in a good clean cosmetic condition with minimal wear to outside casing
- Have all door seals intact and free of damage
- Be complete with all shelves and removable parts included
- Be unplugged, unplumbed and in same location as new appliance will be delivered

I hereby acknowledge upon verbally agreeing the above requirements if my appliance does not meet these upon delivery the drivers will refuse collection of my old appliance.
